Dear Oliver:

Over the years, it seems like just about everyone has either heard a horror story about a moving company or had a negative experience themselves. They speak of heirlooms damaged beyond repair, walls scratched, items lost, claims unpaid, etc. etc. From what I can tell, only a few people ever have anything positive to say about moving companies.

We are now definitely the exception. Over the past 20 years, we have moved six times. Three moves were coast to coast, two were local within Fairfield County, and the last was our move a month ago with Orite from Westport, CT to Williamsburg, VA. I can honestly say that we have never had a better move - all 38,000 pounds of us. You and your men were efficient, organized, knowledgeable, careful, polite, unbelievably hard-working, and honest. To sum it up in one word - OUTSTANDING. We couldn't have asked for more.

If you ever need a reference, feel free to give our names. Our new local phone number here is (757) 645-0953. And many thanks again for taking the stress out of our big move.

Sincerely,

Debby and Mike Keller
